# Instructions for contributors

1. *ESP Across Cultures* is a double-blind refereed journal published in open access under the supervision of its Chief Editor (henceforth referred to as 'the editor'), assisted by the Assistant Editor and by the Editorial Board for the evaluation of the papers submitted for publication.
2. Save for exceptional cases and at the discretion of the editor, articles submitted for publication must be unpublished works, and must not have been simultaneously submitted to other journals. *ESP Across Cultures* retains full copyright on the published papers.
3. In order to ensure a wide international readership, *ESP Across Cultures* accepts only articles written in English.
4. All contributions should be submitted to the editor, together with the corresponding illustrations (graphs, tables, photographs, etc.). In the final version, the articles will be accepted only as an attachment to an e-mail message to the editor.
5. All contributions will be submitted to the evaluation of the editor. Individual members of the Editorial Board will be asked to give their evaluation on individual proposals for publication, and all members of the Editorial Board will be informed in advance of the articles scheduled to appear in each issue, together with an abstract of each article. The identity of the members of the Editorial Board assessing the articles will be kept confidential. Experts who are not members of the Editorial Board may sometimes be asked to review proposals for publication.
6. The authors bear full responsibility for the opinions expressed in their respective articles, which do not necessarily reflect the position of the editor or of the Editorial Board.
7. Each author is entitled to receive a pdf copy of *ESP Across Cultures* and reprints of his/her published article may be downloaded free of charge.
8. The original is to be presented in the following order: title, name(s) and surname(s) of the author(s), affiliation of the author(s), abstract, text, acknowledgements, references, and appendices.
9. Abstracts should be 250-300 words. Articles should normally be 3,000-7,000 words (including abstract, footnotes, references and appendices).
